

Participate safely in our activities

We are very happy to be organizing activities for you again. Although this must now be done with extra attention. If we follow the rules together, we can keep the virus under control. Do you participate in an activity? Then read these measures, so that everything can run safely.

TICKETS

Buy your tickets online as much as possible. This can easily be done via tickets.vgc.be/demaalbeek. Do you have problems with your registration? Feel free to call us on 02 734 84 43 or send us an email via demaalbeek@vgc.be.

Can't register online after all? Then you are welcome at our service desk, where an employee can help you from a safe distance. Don't forget your face mask when you enter the center.

DE MAALBEEK, CORONA-PROOF

We've changed De Maalbeek into a safe space:

- We guide you in the right direction via **arrows**, so that you cross as few other people as possible
- We calculated a **maximum number of people per room**. Keep this in mind when you enter certain areas.
- You will find **disinfectant gel** to clean your hands in various places
- We open doors and windows for **optimal ventilation**
- Our rooms are **cleaned** a lot throughout the day

DURING AN ACTIVITY

Are you coming to an activity or a course in De Maalbeek? Then this is how we go about it:

- **Enter alone or with your bubble** and avoid contact with anyone outside of your bubble. Are you still waiting for people from your bubble? Then wait outside for a while and come in together later.
- **Disinfect your hands** when you enter our center
- All persons over the age of 12 are obliged to wear a **face mask**. You also keep your mouth mask on during activities.
 - **EXCEPTION** | *Are you following a sports course in De Maalbeek, such as yoga or pilates? Then you can take off your mouth mask during the activity once you are in your seat. We ensure sufficient distance between the participants and the necessary ventilation.*
- **Stick to the social distance** and always keep 1.5 meters from people outside your bubble
- **Follow the arrows** in our center to avoid contact with others
- **Leave your contact details** at our reception desk for contact tracing. We keep the contact details for 30 days and do not use them for other purposes.

Are you or someone close to you sick? Then we ask you to stay at home for everyone's safety.

ARE YOU ILL AFTER AN ACTIVITY?

Do you test positive for a COVID-19 test shortly after an activity? **Let us know** via demaalbeek@vgc.be, so that we can take the necessary measures.

HAVE FUN

We have one last rule: have fun! We will make sure everything goes smoothly and safely so there's nothing to worry for you. See you soon!
